The 2nd Conference
28 June to 4 July, 2026

An event organised by the

International Society of Nonlinear Mathematical Physics

This conference is held in honour of Wilhelm Fushchich and Jarmo Hietarinta.

- **Dates:** 28 June to 4 July, 2026

- **Place:** Häckers' Grand Hotel, Römerstraße 1-3, 56130 Bad Ems, Germany

- **Registration Deadline:** 15 April 2026 (for details please visit the conference website).

- **Website:** isnmp.de/ISNMP-Conferences/ISNMP-2026/

Main Topics:

- **Nonlinear Mathematical Physics and Applications**

- **Continuous and Discrete Integrable Equations**

- **Nonlinear Equations and Classifications**

- **Exactly solvable systems**

- **Symmetry Analysis**

- **Discrete Geometry**

Organising Committee:

Stephen Anco (Brock University, Canada); **Marianna Euler** (ISNMP, Germany & CiC AC, Mexico); **Norbert Euler** (ISNMP, Germany & CiC AC, Mexico); **Rafael Hernandez Heredero** (Polytechnical University of Madrid, Spain); **Maria Conception Muriel** (University of Cadiz, Spain); **Maria Clara Nucci** (University of Bologna, Italy)
